STEM COURSE SCHEDULE

Virginia – Marymount University

Campers participate in FOUR STEM courses each two-week session. Build your camper's schedule by selecting Morning and Afternoon courses for each week of camp attendance.

*Courses have additional lab fees that would increase tuition. See [Course Descriptions](#) to learn more.

Week 1		Week 2	
Morning	Afternoon	Morning	Afternoon
2D Cartoon Animation	3D Animation	3D Modeling & Printing*	2D Cartoon Animation
Coding Basics	Action Game Design	Web Design	Bricklink Studio
RC Cars*	Coding in C#	Critical Thinking & Logic	Coding Basics
Roblox Studio	Dungeons & Dragons	Minecraft	Coding in Java
Unity 2D	Minecraft	Roblox Studio	Graphic Design
Web Design	Robotics*	Unreal Game Design	Strategy Game Design

Due to demand and scheduling complexities, space in selected tech camp courses is not guaranteed. Courses may be cancelled or consolidated at the discretion of Emagination STEM Camps. Alternate course selections are required during registration. View [FINE PRINT](#)
